A review from Annals of the American Academy of Political and Social Science: WE so often think of corruption as a feature of practical politics that we forget that it is a much broader phenomenon. Political corruption is only a symptom of a condition far too prevalent in all branches of our national life. The author aims to analyze the nature of these conditions and to show the far-reaching character of the task which thorough-going reformers must set themselves. The first two chapters of the work. Apologies for Political Corruption and the Nature of Political Corruption have already become known to those interested in political science through magazine publication. After the definition of the field of the work in these two preliminary studies there follows an analysis of the reasons why corruption is so persistent a by-product of political and social life. A brief review of the history of corruption from the Greeks to Pepys, Tweed and our present-day offenders shows that, though the evil is still with us, its forms have become less and less dangerous. In spite of the fact that the methods of the modern corruptionist often show skill little short of genius, Mr. Brooks believes that the evil is gradually being driven into fields less profitable to exploit. Not even Chris. Magee, former boss of Pittsburgh, could now declare that a ring could be made as safe as a bank, and it cannot be said that the people will never kick on a ten per cent rake-off. National, state and municipal governments represent decreasing grades of success in the fight for clean government, but in every branch conditions are, on the average, far better...
