Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.This English translation of John Dees Monas Hieroglyphica is a companion piece to John Dees original Latin, published by James Alan Egan. As some of John Dee s cryptic clues get lost in translation, it s useful to study both versions.To simplify cross-referencing, this English translation mirrors the layout and design of the original Latin version.In other words, both this translation and the original have the "feel" of John Dees original work except for a few minor differences. Dees original, printed in Antwerp in 1564, had a stapled binding whereas this version has a perfect binding" (with a spine). Also, the cover of the original Latin version the same thickness as the paper stock of its interior pages.
