With a heart for winning souls into the Kingdom of God weighing on me at the age of 17, I found and lost my identity in Him after countless attempts, but I finally gave in to God's will. The Rapture of Furious Love is a must read for all sold out for Christ Christians and most for those seeking revival in their hearts. The purpose of this book is not to look out for signs, (many books already do that) but to become a sign of Christ in these times; John 4:17 lets us know that as he is, so are we in this world. Throughout the book the message of having a close and personal relationship with God the Father echoes resoundingly. The reader will learn and discover what I, the author means when I use the term furious love. I show this through the lives of biblical figures such as Hosea and Gomer, Abraham and Isaac, and Jesus and the Father. Through revelation and my style of writing, the reader will visually see the heart of the Father exposed and how He desires for all men to be saved.
