But who are his people? Cherokee, who were robbed of their lands by the federal government in the 1800s. Hebrews, who were enslaved in ancient Egypt. Jews, who were murdered by Nazis in the 1940s. Downtrodden people everywhere in modern America. And who is Pharaoh? His own father, who made his childhood a living hell. His psychiatrist, who tried to discover the secrets hidden under his calm exterior. A former Nazi, subject of a deportation hearing for war crimes against union leaders in his own country. A television newsman, who first gained John s trust in an interview but lost it when he reported on the former Nazi s hearing. Just anyone who gets in his way. With two psychopathic brothers as his accomplices, John creates devastation across the Smoky Mountains in his quest to find redemption in his troubled mind for the sins of his family, and all families that plant seeds of turmoil in their children.
