It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Revelation is not a book of gloom and doom. It is a book of hope. A book of reassurance that, no matter how bad things get in the world, God is still in control and still loves us like light shimmering in the soul. It was written during a time when Christians were losing jobs and homes, friends and family. During a time when Christians were being imprisoned, tortured, and killed. They were laying everything on the line for Jesus. Everything! They needed hope. They needed this love letter. This is a history of the world before Jesus was born, especially the world of the Israelites. It is also an account of Jesus birth, ministry, and death. It ends with the final doom of Satan and the final victory of the church, the heavenly Jerusalem. After all, does not chapter 1, verse 19 state that John was to write, therefore, what you have seen [past], what is now [present], and what will take place later [future] ? The scriptures always interpret themselves; therefore, the author takes you through each scene with applicable background scriptures to magnify the meaning with unique clearness. This is God s last love letter to the world. He has done everything possible to help us escape hell, including offering his only begotten son to die in our place. We are his children. He loves us and does not want us to be hurt. He tells of the overwhelming joy he can give those who accept his Son as Lord of their life. He also tells us that, if we become Christians, he will protect us as he always protected his children in the past....
