The second coming of Christ: Is it of the future, or is it of the past? The falling away from the gospel truth already at hand. The destruction of Babylon by the beast. The destruction of the beast: His prophet cast alive into a lake of fire, burning with brimstone. The extermination of the human race from off the face of the earth. The devil and satan bound for a thousand years and cast into the bottomless pit till the thousand years be fulfilled. The reign of Christ upon the earth with his resurrected saints a thousand years. This is the first resurrection. The resurrection of the wicked after the thousand years reign of Christ upon the earth with his resurrected saints. A pitched battle between the wicked resurrected spirits Gog and Magog and the saints of the beloved city: Fire from heaven destroys them. The devil cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night forever. Great white throne and him that sat upon it, from whose face the earth and heaven fled away; and there was no place found for them. The final judgment of the wicked; death and hell; cast into the lake of fire and brimstone. A new heaven and earth, for the first heaven and earth were passed away. There was no sea. The foundation of the earth, and the foundation of the world: Are they one and the same, or two different foundations?...
