Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. It's been designed in an extremely straightforward way which is just soon after I finished reading this publication through which basically modified me, alter the way I believe.

DEAN KOONTZ'S FRANKENSTEIN (4) -- LOST SOULS

DOWNLOAD

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Dean Koontz's Frankenstein (4) -- Lost Souls, Dean Koontz, SOMEONE NEW IS PLAYING GOD The Frankenstein story updated to the 21st century by the great American storyteller Dean Koontz. In a powerful reworking of one of the classic stories of all time, Dr Frankenstein lives on, seemingly indestructible, more malignant than ever. Frankenstein's first monster, Deucalion, has spent two hundred years trying to put an end to his creator. Now he learns that a new Frankenstein clone, Victor Helios, is out there again, somewhere. Terrifyingly, with each incarnation the sinister doctor draws closer to the possibility of succeeding in his ambition to create a new human race - which he will control. He has found an enigmatic backer and is working in a secret location. Together with the two ex-cops who helped him destroy the previous Victor, Deucalion is drawn to the small Montana town where Victor's grotesque new creations are taking shape. Victor's New Race is spectacularly different, a product of cutting-edge technology and stem-cell circuits, and when things go wrong, they go wrong in very unexpected ways. Frankenstein is unleashing a new menace on the world, whether or not he can control it. It may be too late, even if Deucalion can bring him down.
