This journey will bring you many opportunities to learn lessons that must be learned for you to find your path towards The Way towards your Destiny, and then along that long and narrow path of yours. Most of the experiences will look like either work or problems, but you can choose to change your perspective and see them as important opportunities in your growth towards your Divine Creator. You were always destined to be a light in this world. Others may then see it as a Light that is worth following. First, however, you are going to have to follow in the steps of those who have gone before you. It is a recently-discovered characteristic of this universe that, once one member of a group has learned a skill, all others of that group will find it easier to follow along. Many have gone before you, so your tasks towards and along The Way will be easier than they were for those who preceded you. With the communication that is now so easy on the Internet, you can find almost anything that you set your intention to find. Setting an Intention to find out Who you really are, and Why you are here, is vital to you and your moving on in your journey. One of the Great ones, Jesus The Christ of the Abrahamic tradition, followed these very effective steps: He learned all that he could, through study of the Holy texts of...
