James and Charles were very very cooperative as we trailed our journey from the start to the end. Alikira Richard guided the two students till the end. This same project was submitted as a graduation project for the two students [James and Charles] We hope you find this work usefull , abstract: For many years students have been applying to colleges manually. The manual Application system has made the process difficult, leading to some of the students giving up and others applying late. The ineffectiveness of the manual Application system pushed the researchers to conduct this study so as to identify the weaknesses of manual students Application system, identify possible solutions to the identified weaknesses. The study was carried out in Tanzania, and data was...
