Filesize: 2.01 MB

Reviews

Complete guideline! Its such a excellent read. This really is for all who statte there had not been a worth studying. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Timothy Lynch)

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Thirteen Moons, Charles Frazier, At the age of twelve, under the Wind Moon, Will is given a horse, a key, and a map, and sent alone into the Indian Nation to run a trading post as a bound boy. It is during this time that he grows into a man, learning, as he does, of the raw power it takes to create a life, to find a home. In a card game with a white Indian named Featherstone, Will wins - for a brief moment - a mysterious girl named Claire, and his passion and desire for her spans this novel. As Will's destiny intertwines with the fate of the Cherokee Indians, including a Cherokee Chief named Bear, he learns how to fight and survive in the face of both nature and men, and eventually, under the Corn Tassle Moon, Will begins the fight against Washington City to preserve the Cherokee's homeland and culture. And he will come to know the truth behind his belief that 'only desire trumps time'. Brilliantly imagined, written with great power and beauty by a master of American fiction, Thirteen Moons is a stunning novel about a man's passion for a woman, and how loss, longing and love can shape a man's destiny over the many moons of a life.
