Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2011. Paperback. Book Condition: New. 202 x 134 mm. Language: English . Brand New Book ***** Print on Demand *****.How To Save Your Marriage From 12 Top Marriage Killers is a psycho-babble-free, easy to use, practical guide to preserving YOUR relationship from twelve common causes for the destruction of modern marriages. This book takes an honest look at Infidelity, Lack of Magic, Incivility, Stepchildren, Lack of Equality, and other, real-world pitfalls of modern marriage, discusses them with the help of case histories drawn from real life, digs down to their practical causes, and offers solutions that you can take right now to the kitchen table and the bedroom to use as tools to start rebuilding your marriage. Enlightened by the real world experience of author H. Paul Honsinger s more than twenty years as a divorce attorney, and held to understandable plain language by author Kathleen Honsinger s years of experience writing software user manuals geared for business owners, this book skips the psychoanalysis and the emotional finger-pointing and gets to the nitty gritty, providing real world, usable solutions that ordinary couples can start putting into use TODAY to keep their marriages together.
