Reviews

It is one of the best pdf. It is written in straightforward words and never difficult to understand. It has been designed in an extremely straightforward way and it is just following it that I finished reading this book through which basically modified me, affected the way I believe.
(Deonte Abbott III)

RIVERA

DOWNLOAD

Taschen GmbH. Hardback. Book Condition: new. BRAND NEW, Rivera, Andrea Kettenmann, It was as a revolutionary and troublemaker that Picasso, Dali and Andre Breton described the husband of Frida Kahlo, Diego Rivera, but he was also responsible for creating a public art that was both highly advanced and profoundly accessible. From 1910 Rivera lived in Europe where he absorbed the influence of Cubism. After the Mexican revolution, however, he returned to his homeland and harnessed the lessons of the European avant-garde to the needs of the Mexican people. His own murals, and those of the Mexican Muralists who followed his example, presented a utopian vision of a post-revolutionary Mexico. Rivera's historical paintings expressed his interpretation of the revolution and its ideals, in a style that showed him returning to the pre-Columbian roots of Mexican culture, re-inventing a colourfully realistic visual idiom that could appeal directly to a largely illiterate people. This is the first study which, independently of the exhibition circuit, coherently presents the work of this extraordinary artist.
