*This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

## SOMETHING FOR NOTHING: WHY WE DO THE THINGS WE DO

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. In his characteristic, no-nonsense style, international bestselling author Brian Tracy, explains that there is an epidemic sweeping the world today that of the something for nothing mentality. This epidemic is rooted in the out-of-control and insatiable demands of thousands and millions of people. Today the worlds greatness is being undermined by people using various means to steal other peoples dreams and money. Rather than participate and innovate in the marketplace, generating goods and services that benefit society, people are increasingly vying for political advantage to live at the expense of others. In this influential book, Tracy reminds us that our greatness is based on honesty, integrity and fair dealing. Tracy proves that this something for nothing attitude has never been the way of the world and helps readers set a personal and culture-wide agenda for change. Printed Pages: 264.
