Many are keeping a few good fowls either for pleasure as to provide themselves with eggs and meat. Some are keeping them as profitable cottage industry and others are opening big commercial poultry farms. It is therefore important that, knowledge of how to keep and breed fowls, protect them against disease and cure them when sick should be spread for an wide. This book is a helpful addition in this manner. The addition of the illustrations makes the book more interesting and attractive as they give the standards up to which all fanciers should endeavor to breed. (jacket).
