Every critic who desires to deny the validity of modern tongue speech must develop a scheme to destroy Pauls teaching. Through the centuries, there has been a wide variety of answers regarding the validity and veracity of speaking, praying, and singing in tongues, and its place within the life of the Christian and the Church. What is it Is speaking in tongues such a radically supernatural experience that language is totally unknown, or is it, as some have contended, actual human languages that are simply unknown to the speakers. Several have believed it to be the language of heaven or at least from heaven. Others have declared it to be ecstatic, unintelligible utterances that require a highly charged emotional moment to experience. Should each Christian pray and sing in tongues, or is it reserved for a special few deeply spiritual ones Did Jesus pray in tongues These questions and more are answered by author and pastor Richard Hogue in *Tongues: A Theological History of Christian Glossolalia*. His academic approach begins by firmly establishing biblical evidence before launching a chronological connect-the-dots exercise through Christian history.
