Hard Math for Elementary School (Paperback)

By Glenn Ellison

Createspace, United States, 2013. Paperback. Book Condition: New. 254 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****. Hard Math for Elementary School is new category of math book. The author calls it a math enrichment textbook. The idea is to make it easy for teachers or parents to supplement what kids are getting in school with with complementary lessons that are harder, deeper, and more fun. Hard Math has chapters to accompany most textbook topics: addition with carrying, multiplication, fractions, etc. It covers other important topics - prime numbers, counting, probability - that are being squeezed out of many curricula. And it has chapters on topics which may not be as important - tiling floors, solving number puzzles, making polyhedra out of marshmallows and toothpicks - but that make the book more fun and develop higher-level reasoning skills. Hard Math can be used in many different ways. Some parents will enjoy reading it together with their child. A teacher can give the book to an exceptional student who could read through it on her own whenever she's done early with the regular math lesson. Or a teacher could treat the book as a...
